NUMBER 13

### Board of Trade Opens Its Winter Session

**PRESIDENT'S REPORT SHOWS A HEALTHY FINANCIAL CONDITION WITH A PAID MEMBERSHIP OF 91.**

The regular meetings of the Kelowna Board of Trade commenced again last Monday evening, when at the call of the secretary over twenty members put in an appearance to start the winter session on its way. In the absence of the president, Mr. Rees, the chair was taken by Vice-president W. Haug.

The president's report, under date of the 16th October, which was read by the secretary, ran as follows:

"Your executive council have to report two regular meetings since your last regular Board meeting in June. The principal matters under discussion were the entertaining of the Hon. the Minister of Lands, and the proposed discontinuance of the daily boat service on Okanagan Lake by the C.P.R. In the case of the former, you are all aware what transpired. In this connection, I have to report that through representation made to the Minister at the time, with reference to forest protection, a fire warden has been appointed for the district.

"In connection with the C. P. R. proposal—the secretary was instructed to correspond with the General Superintendent at Vancouver protesting against the proposed action, and to also write the different boards in the Valley with a view to obtaining their co-operation.

"Various matters that were under discussion at the June meeting have been dealt with and correspondence is on file with reference to same, more particularly as to the telephone connection between ferry wharves.

"Failing ability to procure a resolution from the Resolutions Committee in connection with the mail clerk on the K.V. trains, the secretary wrote the Hon. Martin Burrell in this connection. To date reply has not been received.

"With reference to Mission Creek, as this season everybody was ex-

tremely busy, no appointment was made by the president of a committee to deal with this matter. As the close of the busy season approaches this can still be done in deemed advisable and necessary.

"Your secretary wrote the Indian agent as instructed to ascertain the possibility of obtaining assistance of American Indians. The agent, Mr. Brown, replied in person, that the Indians were not allowed this year to cross the line.

"PUBLICITY. — Your president and secretary have recently spent considerable time preparing a new booklet. New views have been taken and cuts will be prepared. It is expected to be in shape to submit to the Publicity Committee shortly, after which it will go to the printers. My next regular meeting we expect to be able to submit cost of same for your approval.

"FINANCES.—The total paid membership for the year to date stands at 91. You have on hand the sum of \$70.25. Due for rent of building, \$50.00. Bills to be paid amount to \$10.00, which will leave a balance of \$310.25, all of which we humbly beg to submit."

After a discussion of the suggested tri-weekly boat service it was decided to ask Mr. Peters to visit the towns materially effected by such a change and discuss the question with them before putting it into effect. Mayor Sutherland did not think it would be a hardship so long as the mail came daily, but Mr. J. W. Jones was strongly in favor of having the present service maintained.

The matter of the ferry telephone across the lake was discussed at great length, but nothing definite was arrived at beyond again ascertaining Mr. Hayman's opinion and corresponding with the government's representative.

Mr. L. V. Rogers suggested that the Medical Board at Vernon, which is acting under the Military Service Act, be asked to come down to Kelowna for a few days to avoid all Kelowna men having to go up there at their own expense. As there was no exemption tribunal here it was decided to write to Dr. Boyce and to Judge Swanson relative to both these matters.

There was some talk relative to either forming an automobile committee in connection with the Board or else of asking the present Roads Committee to take on such work as would ordinarily be conducted by an automobile association.

Before an adjournment was made, it was decided that at the next regular meeting a discussion should be held on "The Rule of the Road," and that Mr. L. E. Taylor should open the discussion.

During the evening, Mr. Wm. McEwan was proposed and seconded as a member of the board.

The attendance at the meeting included Mr. W. Haug, Mr. J. W. Jones, M.P.P., Mayor D. W. Sutherland, R. Burch, J. Casorso, G. A. Chick, P. DuMoulin, R. L. Dalglish, J. A. Forster, C. T. Hubbard, J. Leathley, G. Meikle, G. McKenzie, S. H. Old, L. V. Rogers, C. Rogers, T. S. Ruffell, L. E. Taylor and Secretary McTavish.

London's bomb-proof shelters are being card-indexed in preparation for further German air raids. Sufficient buildings have been inventoried to accommodate one million people.

### Hard Line Drawn on Discount Dates

**By-law Will Be Strictly Adhered to in Future with No Special Considerations**

That payment of light and water rates must either be received by City officials on the 15th or must bear the Kelowna postmark of that date in order to secure the cash discount was substantiated in a letter from Messrs. Crehan, Martin & Co., the municipal auditors, which was read before the City Council last Monday morning. The letter further pointed out that the Council had been in error in the two or three isolated cases where they had granted the discount in what they had believed to be genuine cases. That in future there will be a hard and fast line drawn may be gathered from Mr. Crehan's letter which goes on to call the Council's "attention to the fact that any ratepayer, who has complied with those by-laws has the right to apply that the Council violating such by-law be surcharged with such amount of rebate so granted, and while the Council may be of the opinion that they are legislating on this matter in an equitable manner, still, at the same time, by thus creating a precedent the same rate cannot be denied to any other ratepayer, whether it be the 15th, 16th, 17th or 18th,—a gate once opened cannot be easily closed, as the basic principle of civic government is equal rights to all, special privileges to none. If the Council expect the ratepayers to abide by the by-laws they must not violate the laws themselves without going through the process laid down in the Municipal Act, that is to say, by amending the said by-law."

### Result of Contest in Onion Growing

**A. R. Davy Takes First Place With Wynn Price Second**

The result of the local Onion Growing Competition held under the auspices of the provincial government and in conjunction with the local Farmers' Institute has now been announced, and Mr. A. R. Davy has been declared winner with 94 points out of a possible 100. A close second is Mr. Wynn Price, who scored 93 points, while only half a point behind him was Mr. T. W. S. Taylor, who carries third prize.

The scoring was arranged as follows: Uniformity of stand, 20; cultivation and freedom from weeds, 20; freedom from pests, 10; yield, 25; maturity and quality of crop, 25; making a maximum total of 100. The results gained by the various competitors were: A. R. Davy, 94; Wynn Price, 93; T. W. S. Taylor, 92½; J. Melvor, 92; S. T. Elliott, 89; Casorso Bros., 88½; M. Heron, 88; L. Holman, 87; C. E. Weeks, 86½; E. Hartwick, 86; J. Fleming, 85; J. B. Fisher, 85; Bankhead Orchard Co., 78½. Conspicuous points in the scoring included the following: Mr. A. R. Davy lost three of his six points on pests, but was the only one who got full points for uniformity. While Mr. Wynn Price got a very high average, losing not more than two points under either heading, yet he did not get full points for any one condition. Mr. T. W. S. Taylor got full points for cultivation. Casorso Bros. gained full points for cultivation. L. Holman was the only one who got full points for freedom from pests, he also got full marks for cultivation, but was lowest on maturity, dropping seven points under that head. E. Hartwick was lowest on cultivation, scoring only 14. J. Fleming was low on uniformity and pests. The Bankhead Orchard Co. scored full marks for cultivation, but scored only 12 out of 25 for yield and were also low on uniformity.

**FAVOR BORDEN AND COALITION GOVERNMENT**

MONTREAL, Oct. 17.—"L'Evenement," of Quebec, says it makes little difference whether or not Sir Wilfrid Laurier remains at the head of the Liberal party. The newspapers, in fact, which are most devoted to the old leader admit that victory is not only probable but certain for the Borden coalition government.

### Wounded Warriors Welcomed Home

**Winslow, Raymer and Weir Reach Kelowna Once Again**

The loud and repeated blowing of the "Sicamous" whistle announced the home-coming on Sunday afternoon of some more local warriors from the front. The two men who returned were Tpr. C. A. Winslow and Pte. B. Raymer, both having been wounded, Tpr. Winslow most severely. On Monday afternoon, Pte. Geo. Weir was similarly welcomed back to his home town, he also walks with a limp as the result of an injury.

Tpr. C. A. Winslow received his wound at Ypres on the 2nd June, 1916, and today considers himself lucky to be able to get around on two crutches. The cause of the injury was shrapnel in the right leg just above the knee, the bone being separated by the force of the impact, which naturally tore the flesh up badly. Five days after being wounded he was taken to a hospital at Leicester, where he spent nine months in bed, during most of which time there was always serious doubt as to whether he would not be obliged to have the limb amputated. On the 23rd March, 1917, he found he was able to walk again with the aid of crutches, as a consequence of which he was moved to Ramsgate. The hospital there, however, was so severely bombed by German airmen that they were forced to move it. On the 19th September last he left England for Canada and is more than delighted to be back here in Kelowna. Tpr. C. A. Winslow worked at the Kelowna Growers' Exchange prior to the outbreak of war. Being a member of the B.C. Horse he was

(Continued on page 6)

### Indians Get Drunk on Lemon Essence

**Domestic Article Proves Source of Boisterous Scenes and Three Arrests**

That whisky and gin and other spirituous liquors, until recently sold at the bars, are not the only things upon which people can become drunk was borne out last week in the provincial police court when three Indians were charged with being drunk and disorderly as the result of imbibing too much lemon essence. Constable Graham had received a report to the effect that there were Indians drunk and fighting between here and Okanagan Mission. A search found Dominic Jack, his wife and wife's sister, near the lake at southern end of the town, all the worse for strong drink in the shape of lemon essence. When caught they had upon them one almost full bottle and two partly empty. Each bottle was of the 16-ounce size.

Upon being brought up for trial before Magistrate Weddell all three pleaded guilty. Dominic Jack is an old offender, and as a result was sentenced to six months' imprisonment at Kamloops. His wife was let off with a fine of \$10.00 and costs. The wife's sister, who had two of the three bottles of lemon flavoring in her possession, was fined \$25.00 and costs. All three steadfastly refused to tell from whom they had purchased the drink.

Lemon extract is said to be composed of 90 per cent. alcohol and is, therefore, stronger than many of the well-known spirits. Anyone supplying such stuff to an Indian is liable to a fine of \$300.00. Many storekeepers in the neighbourhood report having had several requests from Indians for lemon and vanilla essence in the last few days. Another Indian, with a bottle of lemon essence in his possession, was discovered in a half drunken condition on Richter Street.

**PROBABLE ELECTIONS**

**DAY IS DECEMBER 17**

WINNIPEG, Oct. 17.—The Ottawa correspondent of the "Free Press" tonight says: "The elections will be held before Christmas. That is definite tonight and only unforeseen circumstances will change this decision. December 17 is a tentative date. Nominations day will fall 28 days before that, and soldiers overseas will start polling votes the day after nominations are made."

### City is Now Owner of Much Real Estate

**COUNCIL HAVE PROBLEM ON THEIR HANDS OF WHAT TO DO WITH PROPERTY WHICH HAS REVERTED TO THEM FROM 1915 TAX SALE**

In spite of nearly two hours of strict application to municipal matters last Monday morning, very little work of public interest took place or was brought before the meeting for consideration. Mr. George Dunn, who had that morning returned from the annual convention of the B. C. Municipalities, gave a brief account of what had taken place. He expressed his appreciation at the Council seeing fit to send him to attend this meeting, claiming that it was not only instructive, but that the work done was very important from the point of view of the management of municipal accounts and affairs.

Two by-laws received consideration during the morning. By-law No. 235, to borrow \$5,000 from the bank, was given its third reading. By-law 236 was also introduced. This was a by-law enabling a business tax to be collected from the hotels, as hitherto they had not been included, having come under a special rating. In future the hotels will only be charged the ordinary business tax of \$5 every six months.

The Mayor brought forward a suggestion that warehouses and places using a large amount of coal fuel should be asked to allow the City to collect the ashes and cinders for the purpose of making sidewalks and crossings. Believing that a large amount of coal would be used in the next few months it was decided to make enquiries with a view to getting this put into effect.

The announcement was made that the Assessor had passed his military examination for active service with a C.3 rating, and the Mayor pointed out that the Assessor was a man that the City could not possibly dispense with at the present time. Though he felt it was doubtful whether he would ever be called yet it would be necessary to apply for an exemption for him. A suggestion that the Assessor be asked his wishes in the matter was negatived, the Council deciding that several years of training and

knowledge of the City taxes was necessary for a competent assessor and they, therefore, felt they were fully justified in asking for his exemption.

Ald. Rogerson urged the Council to take some definite action with regard to the property which has reverted to the City as a result of the tax sale held two years ago. He pointed out that some means should be taken to either sell or lease the property, and with a view to making this possible he suggested that it be listed in such a manner that the public could refer to it. He did not, however, think it fair, or even good policy, to offer it for sale for only the amount of the taxes due, as he believed this would have a depreciating effect in the valuation of the adjacent property, and he expressed himself as being in favor of leasing the ground on long term leases for building purposes, holding the title in the name of the city. This, he declared, would bring in a double revenue, the ground rent, and the light and water and other rates. The remainder of the Council appeared to think that there was no urgent need of doing anything with this property, as they did not think there would be many requests for purchases just now. Ald. Sutherland felt that the financial needs of the Council would have to be the first consideration in disposing of the property, and if they could sell at a price that would cover all arrears of taxes and expenses it would be policy for them to do so, in spite of that fact that the lots adjacent had been sold at some time at a much higher figure. The first thing, he thought, was to make the property revenue producing. The Council all agreed that before any of the property was disposed of the original owner should be given an opportunity of purchasing it back from the City. The need of a small map which could be circulated to show the position of the lands for sale was also expressed.

### COUNTRY BEFORE PARTY

**Yale Liberals Suggest Choosing One Candidate to Represent Both Parties**

A meeting of the executive of the Liberal Association for the federal riding of Yale was held at the Incola Hotel, Penticton, last week. Some 20 representatives of the five provincial constituencies, included in the federal district, were present.

The principal subject discussed by the meeting was the advisability of holding a convention to nominate a Liberal candidate for the Dominion elections. It was decided to call such convention and this will probably be held at Penticton on the evening of October 31.

A committee was appointed to draft a letter to be sent to the executive of each Conservative Association in the five provincial constituencies, suggesting that they might hold a convention at the same time and place. The object of this is to determine if it is possible for both parties to get together and select a candidate, pledged to promote any policy for the successful prosecution of the war and who would be acceptable to both parties, thus avoiding an election in this riding.

The sole desire of the executive in this is to encourage and promote the sentiment of placing country before party and they have made this suggestion in the anticipation that influential Conservatives throughout the district will co-operate with them.

**WILL HOLD ENQUIRY AS TO TURIN RIOTS**

ROME, Oct. 17.—The Italian parliament has just convened and probably will discuss in secret session the rioting which occurred in Turin in August as a result of food shortage and political discontent, and also the general food crisis there. In the Turin riots the news of which has just been received for the first time, large numbers of persons are said to have been killed, machine guns, and bombs dropped from airplanes, being used to put down the disorder.

### HAVE SUNK 18 SHIPS

LONDON, Oct. 17.—Twelve British merchant ships of over 1,600 tons and six under 1,600 tons were sunk by German submarines this week.

### Wonderful New Coal Oil Light

Burns Vapor Saves Oil Boats Electric or Gasoline

**Costs You Nothing**

To have this wonderful new Aladdin coal oil (kerosene) mantle lamp demonstrated right in your own home. You don't need to pay a cent unless you are perfectly satisfied and agree that it is the best oil lamp you ever saw.

**Twice the Light On Half the Oil**

Recent tests by the Government and noted scientists at 35 leading Universities, prove the Aladdin gives more than twice the light and burns less than half as much oil as the best round wick open flame lamps on the market. Thus the Aladdin will pay for itself many times over in oil saved, to say nothing of the increased quantity and quality of pure white light it produces. A style for every need.

**\$1000.00 Will Be Given**

by the Mantle Lamp Company—the largest Coal Oil (kerosene) mantle lamp house in the world—to any person who shows them an oil lamp equal to the Aladdin. Would they dare invite such comparison with other lights if there were any doubt about the superiority of the Aladdin?

Canada's first model town will be built on the Upper Ottawa. A splendid site overlooking Lake Timiskaming has been laid out according to modern principle of town planning by the Commission of Conservation, through its town-planning advisor,

Mr. Thomas Adams, who has acted as consulting engineer. Building operations will be started shortly by the Riordon Pulp and Paper Co., who are to erect a large sulphite mill and paper plant nearby and for the accommodation of whose employees the town is intended.

### Coal Situation May be Critical

Coal Should Be Secured Now to Last all Winter

The following indicates that there will be a greater coal shortage this coming winter than last, and therefore we should arrange for our fuel supply accordingly:

1. Great Britain is short 15,000,000 tons of coal; France lacks even more; the coalition of the Allied warships on the Atlantic coast, the naval, domestic and industrial requirements incident to the entrance of United States as a belligerent, all mean that the coal production must be increased.

2. United States officials anticipate a continuity of urgent and unprecedented demands on rolling stock as well as greater difficulty in handling the production.

3. The situation is that the United States companies have placed an embargo on coal going out of that country, and the United States desires to keep coal cars in that country for any emergency that may arise.

4. The present rather acute shortage of coal in many quarters will not be helped by war conditions in the United States.

5. Coal prices have generally increased, and, unless there is government regulation, they will reach higher levels.

6. The U. S. Geological Survey as well as other agencies having knowledge of the facts, is urging all consumers of coal, both large and small, to store their winter's fuel.

In so far as central and western Canada is concerned, the situation is intensified by the fact that owing to the coal strikes in the west, some 200,000 tons has already been lost from production this year; also, owing to the shortage of ships and the great demand for iron ore for the manufacture of munitions, much less coal than ordinarily was brought up the Great Lakes this year, so that there are practically no supplies on hand.

From the above it is evident that, to be assured of our winter's supply of coal, and, at the same time, save inconvenience and perhaps higher prices, we should buy coal during the late summer and fall and whenever it is available.

The Dominion Government has appointed a Fuel Controller to take charge of the situation, and the coal dealer and householder can assist by filling their bins now with sufficient coal to last through the whole winter.

### TUESDAY THE NEW FISH DAY

Tuesday, October 31, has been selected as national fish day in Canada. It is hoped to establish Tuesday as a regular fish day, thus separating fish from Friday, to which it has been so long attached.

### Would Set Price of Potatoes \$1.50 Retail

Mr. Wm. E. Scott Recommends a Fixed Price to Consumer and Farmer to Ensure Consumption

As a result of the report of the special committee appointed by Food Controller W. J. Hanna to investigate the potato situation in the Dominion, Mr. Wm. E. Scott, the deputy minister of agriculture of B.C., has issued a statement relative to the condition of affairs in this province with regard to the marketing and consumption of potatoes. Acting in accord with the proposals of the Dominion's special committee, Mr. Scott has now made certain recommendations which there is every reason to believe will be put into effect. In view of the situation throughout Canada, it appears to him to be imperative that every effort be made towards increasing the consumption of potatoes in order that our surplus may be utilized. This can only be done, he claims, by regulating the price so that the farmers may receive a fair remuneration for their crop, and, on the other hand, the consumer must secure potatoes at a price which will encourage increased consumption of this important article of diet. By regulation of the profits made by the wholesaler and retailer, and the prevention of speculation in this commodity, this can be brought about, Mr. Scott's report and recommendations are as follows:

After conferring with Mr. F. M. Black, Chairman of the Food Controller's Fruit and Vegetable Committee, I find the potato situation to be as follows:

1. A surplus of potatoes exists in every other province of the Dominion.

2. This is particularly true of the Provinces of Alberta and Manitoba.

3. There is apparently very little chance of any market in the United States.

4. The surplus in B.C. will be considerable under the best possible conditions.

To meet the provincial conditions I would strongly impress upon all potato producers the wisdom of adopting the following policy:

(a) That no potatoes be sold to the consumer through the ordinary channels of trade, of less than three ounces in weight, good sound stock, free from rot and scab. That a careful selection of potatoes be made, suitable for next year's seed.

(c) That all small potatoes unsuitable for table use be fed to stock at, or close to, the place of production. That only graded, well-matured potatoes, free from blight, be pitted or stored.

National considerations require that the consumer use more potatoes, thereby saving a proportion of flour. To encourage this the price must be fair and reasonable, all things considered.

In my opinion a fair price to the consumer for good No. 1 Lower Mainland potatoes would be \$1.50 per sack of 100 lbs. Allowing the retailer 25c per sack; the wholesaler from 7½c to 15c per sack (according to quantity and terms of sale) freight and buying charges say 10c per sack, would give the producer about 90c to \$1.00 per sack net, till December 31.

In view of all the circumstances this would seem reasonable and fair.

I am informed by the chairman of the Food Controller's Fruit and Vegetable Committee that the figures mentioned above compare favorably with those in other provinces of the Dominion, and I would strongly recommend the hearty acceptance of them by all interested.

### Diseases of Poultry

The Assistant Pathologist, A. B. Wickware, Department of Agriculture, Ottawa, has been engaged for some years in the study and investigation of poultry diseases in co-operation with the Poultry Division of the Dominion Experimental Farms. The result of his labours has been embodied in a 16-page bulletin, numbered 25, and headed "Intestinal Parasites of Poultry, Their Prevention and Treatment." This bulletin, which can be had free on application to the Publications Branch, Ottawa, has been prepared with a view to assisting the poultry keeper and breeder, first, to recognize existence of the parasites, which are subdivided into three classes, tapeworms (ostodes), round worms (nematodes), and leaf-like worms or flukes (trematodes), and then how to banish them, or at least to keep them in subjection. Three full-page plates describing the pests minutely in their various stages accompany the bulletin and greatly increase its value and interest.

MADE-TO-MEASURE  
'Made-For-You'  
Clothes

ARE individual. You can have them cut as you want them—of the particular material that you prefer—trimmed and lined to meet your taste. Made-to-measure clothes represent YOU. The new Fall Style-plates are here—together with a very complete showing of imported and domestic fabrics. The price range is so wide that you will have no difficulty in finding exactly what you want, at exactly the right price. The overcoat illustrated above is an extremely swaggy style. It best suits the man who likes a military figure. The belt gives the slim-waisted effect that is becoming so popular. Drop in and inspect these style-plates. We can help you to make a selection that will be most becoming. Please to talk the matter over with you anyway. Our object in being here is to please you.

Willits' Bldg., Kelowna

## BOY SCOUTS' COLUMN

Edited by "Pioneer."

### Troop First! Self Last!

Orders by command for week ending 16th October, 1917.

Duties—Orderly Patrol for week, Otters; next for duty, Beavers.

Parades—The parade for Saturday of this week has been cancelled, and there will be no further Saturday afternoon parades until the balance of the crops in the neighbourhood have been harvested. There will be a Court of Honour for patrol leaders only on Friday of this week, 19th October, at the Scout Master's office, at 7.30 p.m. The combined troop will parade at the Club Room on Tuesday, 23rd October, at 7.15 p.m.

We are in receipt of the following communication from provincial headquarters—

"The British Red Cross Society has requested the assistance of the Boy Scouts in connection with the proposed appeal for funds throughout Canada, on October 18 (Trafalgar Day Appeal). I, therefore, call upon all Scouts in British Columbia and the Yukon Territory, so far as they possibly can, to offer their services at the nearest Red Cross centre, as soon as possible, so that the Red Cross committees may know what help they can rely upon getting.

"T. R. HENAGE,  
"Commissioner for British Columbia and Yukon."

The Scoutmaster is in receipt of the following letter from a former scout of our troop, Robert Thayer, who won the Gilt Medal of Merit while with us:

Delburne, Alta.,  
September 28, 1917.

Dear Mr. Weddell,—I noticed in the Calgary Herald the award of the "Silver Cross" to four of the Kelowna Scouts. When convenient will you kindly convey my sincere congratulations to them. I hope the scouts are flourishing and I wish I was there with them. With kindest wishes to you all for a successful year, I remain, yours sincerely,

"R. S. THAYER."  
Leaders and Scouts will please read again the two little books: "The Patrol System," and "How to Run a Patrol." Copies may be borrowed from our library.

## National Interest Ruling Factor

Exemptions Under Military Service Act Will Be Decided According to This One Consideration

OTTAWA, Oct. 11.—The situation regarding exemptions to be granted under the Military Service Act has been greatly clarified by the announcement that the decisions of Exemption Boards will be governed by the national interest. This suggests in broad outline the policy that will be followed in dealing with those who are selected for service and desire to remain in the country.

It is plainly in the national interest that certain industries, such as agriculture, mining, fishing, transportation, munition or other war material manufacturing, etc., should be kept in a healthy condition. Instead of being a menace to the stability of these industries, the Military Service Act will help to maintain them in a thriving condition by conserving the labor supply they require. Indirectly, therefore, the Act is expected to prove a most beneficial instrument making for the prosperity of the country as a whole.

No industry is exempted altogether. Individuals engaged in each one must submit to the provisions of the Act, the same as others. But, if a man is engaged in work of national importance which cannot be as well done by another the fact will always be borne in mind when the Exemption Board is considering his case. This is the dominant feature of the system.

Devonshire.

[L.S.]

CANADA

**GEORGE the FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.**

**To all to whom these presents shall come, or whom the same may in anywise concern—GREETING:**

**A Proclamation calling out the men comprised in Class 1 as described by the Military Service Act, 1917.**

*E. J. Keenan*

The Deputy Minister of Justice,  
Canada

Whereas it is provided by our Militia Act of Canada, Revised Statutes of Canada, 1906, chapter 41, Section 69, that our Governor-General of Canada in Council may place our Militia of Canada, or any part thereof, on active service anywhere in Canada, and also beyond Canada for the defence thereof, at any time when it appears advisable so to do by reason of emergency;

And Whereas that part of our militia of Canada known as the Canadian Expeditionary Force is now engaged in active service overseas for the defence and security of Canada, the preservation of our Empire and of human liberty; and it is necessary owing to the emergencies of the war to provide reinforcements for our said Expeditionary Force in addition to those whose inclination or circumstances have permitted them to volunteer;

And Whereas by reason of the large number of men who have already left agricultural and industrial pursuits in our Dominion of Canada in order to join our Expeditionary Force as volunteers, and by reason of the necessity of maintaining under these conditions the productiveness or output of agriculture and industry in our said Dominion, we have determined by and with the advice and consent of our Senate and House of Commons of Canada that it is expedient to secure the men so required, not by ballot as provided by our said Militia Act, but by selective draft; such re-enforcement, under the provisions of the Military Service Act, 1917, hereinafter referred to, not to exceed one hundred thousand men;

And Whereas it is accordingly enacted in and by the provisions of an Act of our Parliament of Canada, holden in the 7th and 8th years of our reign, and known as the Military Service Act, 1917, that every one of our male subjects who comes within one of the classes described and intended by the said Act shall be liable to be called out on active service in our Canadian Expeditionary Force for the defence of Canada, either within or beyond Canada; and that his service shall be for the duration of the present war and demobilization after the conclusion of the war;

And Whereas the men who are, under the provisions of the said last mentioned Act, liable to be called out, are comprised in six classes of which Class 1 is, by the provisions of the said Act, defined to consist of all our male subjects, ordinarily, or at any time since the 4th day of August, 1914, resident in Canada, who have attained the age of twenty years, who were born not earlier than the year 1883, and were on the 6th day of July, 1917, unmarried, or are widowers but have no child, and who are not within any of the following enumerated

#### EXCEPTIONS:—

1. Members of our regular, or reserve, or auxiliary forces, as defined by our Army Act.
2. Members of our military forces raised by the Governments of any of our other dominions or by our Government of India.
3. Men serving in our Royal Navy, or in our Royal Marines, or in our Naval Service of Canada, and members of our Canadian Expeditionary Force.
4. Men who have since August 4th, 1914, served in our Military or Naval Forces, or in those of our allies, in any theatre of actual war, and have been honourably discharged therefrom.
5. Clergy, including members of any recognized order of an exclusively religious character, and ministers of all religious denominations existing in Canada at the date of the passing of our said Military Service Act.
6. Those persons exempted from military service by Order in Council of August 13th, 1873, and by Order in Council of December 6th, 1893;

And Whereas it is moreover provided by our said Military Service Act that our Governor-General of Canada in Council may from time to time by proclamation call out on active service as aforesaid any class of men in the said Act described, and that all men within the class so called out shall, from the date of such proclamation, be deemed to be soldiers enlisted in the military service of Canada and subject to military law, save as in the said Act otherwise provided; and that the men so called out shall report and shall be placed on active service in the Canadian Expeditionary Force as may be set out in such proclamation or in regulations; but that they shall, until so placed on active service, be deemed to be on leave of absence without pay;

And Whereas it is also provided by the said Act that at any time before a date to be fixed by proclamation an application may be made, by or in respect of any man in the class to be called out, to one of our local tribunals, established in the manner provided by the said Act in the province in which such man ordinarily resides, for a certificate of exemption from service upon any of the following

#### GROUND OF EXEMPTION:—

- (a) That it is expedient in the national interest that the man should, instead of being employed in military service, be engaged in other work in which he is habitually engaged;
- (b) That it is expedient in the national interest that the man should, instead of being employed in military service, be engaged in other work in which he wishes to be engaged and for which he has special qualifications;
- (c) That it is expedient in the national interest that, instead of being employed in military service, he should continue to be educated or trained for any work for which he is then being educated or trained;
- (d) That serious hardship would ensue, if the man were placed on active service, owing to his exceptional financial or business obligations or domestic position;
- (e) Ill health or infirmity;
- (f) That he conscientiously objects to the undertaking of combatant service, and is prohibited from so doing by the tenets and articles of faith in effect on the sixth day of July, 1917, of any organized religious denomination existing and well recognized in Canada at such date, and to which he in good faith belongs;

And that if any of the grounds of such application be established, a certificate of exemption shall be granted to such man.

And Whereas moreover it is enacted in and by the provisions of an Act of our Parliament of Canada holden in the 7th and 8th years of our reign and known as the War Time Elections Act that certain persons thereby disqualified from voting with such of their sons as on polling day are not of legal age, shall be exempt from combatant military and naval service;

And Whereas it is further provided by our said Military Service Act that applications for exemption from service shall be determined by our said local tribunals, subject to appeal as in the said Act provided, and that any man, by or in respect of whom an application for exemption from service is made, shall, so long as such application or any appeal in connection therewith is pending, and during the currency of any exemption granted him, be deemed to be on leave of absence without pay;

And Whereas our Governor-General of Canada in Council has determined to call out upon active service as aforesaid the men included in Class 1, as in the said Act and hereinbefore defined or described;

Now Therefore Know Ye that we do hereby call out the said class 1, comprising the men in our said Military Service Act, 1917, and hereinbefore defined or described as to the said class belonging on active service in our Canadian Expeditionary Force for the defence of Canada, either within or beyond Canada, as we may, in the command or direction of our Military Forces, hereafter order or direct.

And we do hereby strictly command, require and enjoin that each man who is a member of the said class shall, on or before the 10th day of November, 1917, in the prescribed form and manner, report himself for military service, unless application for his exemption shall then have been made by him or by another person entitled to apply on his behalf; wherein our loving subjects, members of the said class, are especially charged not to fail since not only do their loyalty and allegiance require and impose the obligation of careful and implicit obedience to these our strict commands and injunctions, but moreover, lest our loving subjects should be ignorant of the consequences which will ensue if they fail to report within the time limited as aforesaid, we do hereby forewarn and admonish them that any one who is hereby called out, and who without reasonable excuse fails to report as aforesaid, shall thereby commit an offence, for which he shall be liable on summary conviction to imprisonment for any term not exceeding five years with hard labour, and he shall nevertheless, if we so require, be compelled to serve immediately in our said Expeditionary Force.

And we do hereby proclaim and announce that for the greater convenience of our subjects, we have directed that prescribed forms, for reporting for service, and for application for exemption from service, may, at any time on or before the said 10th day of November, 1917, be obtained at any post office in our Dominion of Canada; and that reports for service and applications for exemption from service, if obtained at any of our said post offices and properly executed, shall be forwarded by our postmaster at the post office from which the same are obtained to their proper destinations as by our regulations prescribed, free of postage or any other charge.

And we do further inform and notify our loving subjects that local tribunals have been established in convenient localities throughout our Dominion of Canada for the hearing of applications for exemption from service upon any of the statutory grounds, as hereinbefore set out; that these our local tribunals so established will begin to sit in the discharge of their duties on the 8th day of November, 1917, and that they will continue to sit from day to day thereafter, as may be necessary or convenient, at such times and places as shall be duly notified, until all applications for exemption from service shall have been heard and disposed of; also that men belonging to the class hereby called out who have not previously to the said 8th day of November, 1917, reported for service, or forwarded applications for exemption through any of our post offices as aforesaid, may make applications in person for exemption from service to any of our said tribunals on the 8th, 9th or 10th day of November, 1917.

And we do hereby moreover notify and inform our loving subjects who are within the class hereby called out, that if, on or before the 10th day of November, 1917, they report themselves for military service, or if, on or before that day, application for exemption from service be made by them or on their behalf, they will not be required to report for duty, or be placed upon active service as aforesaid, until a day, not earlier than the 10th day of December, 1917, which will, by our registrar for the province in which they reported or applied, be notified to them in writing by registered post at their respective addresses as given in their reports for service, or applications for exemption from service, or at such substituted addresses as they may have respectively signified to our said registrar; and we do hereby inform, forewarn and admonish the men belonging to the class hereby called out that if any of them shall, without just and sufficient cause, fail to report for duty at the time and place required by notice in writing so posted, or shall fail to report for duty as otherwise by law required, he shall be subject to the procedure, pains and penalties by law prescribed as against military deserters.

Of all of which our loving subjects, and all others whom these presents may concern, are hereby required to take notice, rendering strict obedience to and compliance with all these our commands, directions and requirements, and governing themselves accordingly.

**In Testimony Whereof** We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. WITNESS: Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Kilgyle, Knight of Our Most Noble Order of the Garter; One of Our Most Honourable Privy Council; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor-General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of OTTAWA, this TWELFTH day of OCTOBER, in the year of Our Lord one thousand nine hundred and seventeen, and in the eighth year of Our Reign.

By Command,

*Thomas Mulvey*

Under-Secretary of State.

#### A STRANGE PROBLEM

It is a strange problem, the market one. B.C. is sending apples to St. Paul and Minneapolis. Nova Scotia is considering shipping to the United States and this week Western Canada has 31 cars rolling from Washington. Now the main reason is salesmanship, just getting the right car at the right time with the right story and the right goods.

#### ADVERTISING

The Okanagan United Growers are doing some educational advertising which will have its effect. They are putting a folder in every box of apples telling the buyers the proper use to make of the different varieties and when they are at their best. The varieties are all too numerous but the idea is good and is sure to stimulate a greater care in after-selection.

#### FARMERS EXPECTED TO TAKE WAR LOAN

They Are Prosperous and Public Opinion Expects Them to Help.

Farmers should subscribe for a substantial portion of the forthcoming war loan. Crops have been uniformly good throughout Canada, prices were never so high and the margin between selling price and

cost of production has ensured a splendid profit. Mr. E. L. Pease, vice-president and managing director of the Royal Bank of Canada, in a recent interview, gave it as his opinion that an active campaign should be carried on among the farmers of the West. The farmers of that section of Canada and Ontario, according to Mr. Pease, are the best class to canvass for the loan.

## "Let Me Help You Carry the Burden, Mother"

"If Canada fails us in October, we must curtail many of our activities."

Sir ARTHUR STANLEY,  
Chairman, Executive Committee,  
British Red Cross.

It now costs \$300,000.00 a week to carry on the work of the British Red Cross, or \$16,000,000.00 a year.

Every minute of the day and night it costs \$30 to minister to the sick and wounded and dying.

Last year Canada's magnificent contribution paid for the entire work of the British Red Cross for nearly seven weeks.

This year, in view of the greater need, it is earnestly and confidently hoped that Canada's contributions will be as great proportionately as the magnificent offering of last year.

Our trust is; that the Citizens of Canada will give generously to this noble cause on—

## "OUR DAY", OCTOBER 18th

### A Few Facts about British Red Cross Work.

The British Red Cross Society is the only institution which carries voluntary aid to the Sick and Wounded of the British forces on land and sea in every region of the War.

Its work is therefore the concern of all classes of British subjects, whether living in the British Isles, in the Dominions and Colonies beyond the seas, or in foreign countries.

### IN GREAT BRITAIN

57,000 Hospital Beds found in the United Kingdom.

30,000 of these provided with Nursing Staff.

2,000 Trained Nurses working at home and abroad.

7,500 V. A. D.'s helping in Army Hospitals.

\$220,000 spent on equipment of King George Hospital (1,850 beds) and \$130,000 a year contributed to cost of its maintenance.

\$225,000 spent on building and equipping Netley Red Cross Hospital (1,000 beds); and

\$625,000 spent on maintenance.

\$175,000 for Orthopaedic Curative Workshops and Training Fund.

\$185,000 for Facial Injury Hospitals.

Send Contribution to Local Treasurer or Secretary, Canadian Red Cross Appeal, Rogers Building, Vancouver, B.C.

It is manufactured tobacco in its purest form.

It has a pleasing flavor.

It is tobacco scientifically prepared for man's use.

## MARKETS' REPORT

BY R. C. ABBOTT

Markets Commissioner, Vancouver.

By Calgary Markets' Commissioner

### THE WEEK IN CALGARY

**APPLES**—While the supply at present is equal to the demand there is some anxiety among the dealers as to the supply of late fall and winter apples. We note that large quantities of local apples are being sent direct to retailers.

**TOMATOES**—Small shipments of field tomatoes are still coming forward and prices hold at \$1.00 and \$1.25, with \$1.50 asked for extra good stock.

**ONIONS**—Several cars of onions have arrived from Okanagan Valley, prices range from \$27.00 to \$35.00 per ton. We note that there is a large percentage of small onions this season. At present there appears to be considerable speculation as to whether the price will go up or go down. We have some enquiries for export and if this can be arranged there is no doubt but what the market will go up around about the first of the year. If the grades can be kept up to the standard there is little likelihood of the local market declining.

**POTATOES**—Buying has been active during the week. Prices paid to growers at Ladner and Lulu Island average \$22.00 per ton. Chilliwack and Matsqui \$21.00 per ton, interior points \$27.00 and \$28.00, all sacked. Alberta quotes potatoes to brokers here at 45c to 60c per bushel, shipping point.

The above prices would mean delivered here \$23.60 and \$28.60 per ton. During the next three weeks there will, in all likelihood, be a very active movement in potatoes in the Province of Alberta.

We have been criticized—and in some instances severely—because we saw fit to step out and protect the farmer against an unwarranted bearish pressure which was being exercised to bear the market down to \$15.00 per ton. Our criticism has been the hardest from the growers themselves who appear to think that the suggestion of a minimum price of \$24.00 per ton shipping point was about the craziest thing possible for this office to suggest.

It is not a question in our mind as to whether the grower is entitled to \$30.00 or \$40.00 per ton for part of his crop and the balance go to waste but what is a safe price for him to ask in order to place his entire crop into consumption.

### Think!

Before you ask a merchant to Make a delivery.

Send goods on approbation, Or incur other expense.

### IS IT NECESSARY?

Delivery service is expensive, and ultimately YOU must pay for it.

If the service is not necessary you are not only wasting your own money, but the resources of Canada as well.

Canada is in urgent need of economy.

### CARRY YOUR PARCEL HOME.

There is an old engraving hanging in many homes depicting a young and ragged urchin stepping up to a lady and asking if he may carry her parcel. Times have changed. Today that same little chap might have difficulty finding a parcel to carry; and why? Because fashion has decreed that we may carry almost anything but a parcel. The result has been heavy delivery expense, which must be paid by the consumer, together with the same percentage of profit as is carried by the goods themselves. Because it does not show separately in the bill, it is not recognized as an additional cost. To a large extent merchants are to blame for this. If they were to adopt the "cash and carry" system, giving a price advantage to those who paid cash and carried their parcels, requests for delivery would soon show a decrease.

The overloaded state of the market here with peaches and Italian prunes is gradually clearing up.

The season is practically over and shipments that were fit to hold in storage until the glut passed will profit thereby.

Prices on the wholesale row are increasing and today peaches are quoted at \$1.05 and prunes at 95c.

Tomatoes are coming in slowly and are of poor quality and prices vary with quality from \$1.25 to \$1.50.

Pears are very scarce. Some fine second crop strawberries are arriving from Nelson and Mission-Hammond. They sold readily at \$5.00 per crate.

Owing to the car shortage the supply of apples has been very limited.

McIntoshes No. 1, \$2.25 to \$2.50; crates, \$1.75 to \$2.00; Wealthy, \$1.90 to \$2.00; Blue Permaines and Kings, \$1.75 to \$2.00; orchard run, \$1.60 to \$1.75; No. 2, \$1.75; Crab Apples are scarce; Pears, \$3.00; Hyslops, \$2.25; Prunes, 95c; Squash and Citron, lb., 4c; Peaches, \$1.05; Tomatoes, \$1.25 to \$1.50; Potatoes, B.C., \$2.25; Onions, B.C., \$2.25 to \$2.50.

### SASKATOON

SASKATOON, Oct. 11.—The weather here has turned quite cold. Peaches are wholesaling from 75c to 90c, retailing at \$1.00. Washington apples are quoted by the jobbers at \$1.90 and \$2.00 for future delivery. B.C. McIntosh are quoted at \$2.15; crates, \$1.90; Onions, \$2.15 to \$2.25; local potatoes, 75c; pears, \$2.75 to \$3.00.

### MOOSE JAW

MOOSE JAW, Oct. 11.—Peaches and prunes are practically cleaned up on this market, the closing prices on prunes being \$1.15, and on peaches \$1.25.

B.C. apples are arriving in considerable quantities, and selling, No. 1 at \$2.10; No. 2 at \$1.90, and crates at \$1.75 and \$1.80. There have been several cars of Washington Jonathans on the market, which have arrived in fine shape, exceptionally well colored, and have sold for \$2.25 per box, with the demand strong.

Two cars of Washington fall pears arrived this week and found a ready sale at from \$3.00 to \$3.25 per box.

Hyslop crabs have been very scarce on this market being less than two cars sold here altogether, which brought prices from \$2.25 to \$2.50 per box. There is still a big demand for these, but it is impossible to get supplies.

## SERVICE FIRST

That is the motto we go by. A business built up of satisfied customers is our supreme ambition. One price for all. Reasonable charge is the rule on every job.

The usual Church of England service will be held in the East Kelowna School House on Sunday next, at 3 o'clock in the afternoon.

Next Sunday, in the Baptist Church the Rev. W. Arnold Bennett will preach in the morning on "The Church as a Shining Light," and in the evening his topic will be "Which Is the True Church?" The Lord's Supper will be administered after the evening service. Rally Day will be observed in the Sunday School, commencing at 2.30 p.m. The program will include items by the scholars, and an address will be given by the pastor on "Habits," with demonstrations from the platform. All friends and strangers heartily invited.

**Charged with Assault**

In the City Police Court, before Magistrate Weddell, on Saturday morning last, Mrs. J. Todd, of Abbott Street, appeared in answer to a charge of assault brought against her by Mrs. Mary Purves, who claimed that on Wednesday afternoon last, Mrs. Todd had, without just provocation, unexpectedly struck her five times in the face and had afterwards taken her by the throat and severely handled her. Mrs. Purves had just returned from town and was about to proceed indoors when the attack was made. The affair appeared to be the outcome of some petty jealousy on the part of Mrs. Todd, who pleaded guilty to the charge. The accused was allowed to go with nothing more than a suspended sentence.

The Summerland Apple Show and Fall Fair is to be held on October 24 and 25. There is a long list of classes under which entries can be made, with some specially tempting prizes for boxed apples and pears. Prize lists can be had from Mr. John Tait, Summerland, or prize list can be seen at the office of the Kelowna Farmers' Institute where particulars can also be given.

Commencing at the North East Corner of Lot 3640 Osoyoos Division of Yale Division of Yale District, thence running in a North-westerly direction through Lots 480, 1178, 479 and 1177 Osoyoos Division of Yale, a distance of 3.23 miles more or less to a point 660 feet more or less East of the North-West corner of Lot 1177 Osoyoos Division of Yale District.

J. H. KING,  
Minister of Public Works.  
Public Works Department,  
Victoria, B.C., 10-5  
19th September, 1917.**TIMBER SALE XII00****SEALED TENDERS** will be received by the District Forester, Vernon, not later than noon on the 22nd day of October, 1917, for the purchase of Licence X 1100, to cut 468 cords of Cordwood on Lot 980, Yale Division of Yale District, situated near Similkameen River.Two (2) years will be allowed for removal of timber.  
Further particulars of the Chief Forester, Victoria, B.C., or District Forester, Vernon, B.C. 13-1c**LOCAL and PERSONAL**

Mr. G. W. Munson left on Monday morning for Olds, Alta.

Mr. and Mrs. H. F. Rees left for Vancouver yesterday afternoon.

Mrs. Swayne was a passenger on Monday morning to Belia, Alta.

Mr. M. A. Alsward was a passenger to the coast yesterday afternoon.

Miss M. Milne and Mrs. E. R. Bailey left on Friday for Vancouver.

Miss Annie Cummings left on Tuesday morning for Ashcroft.

Miss Armstrong, of Vancouver, is visiting Mrs. J. F. Fumerton.

Mr. and Mrs. E. A. Day left yesterday morning for Kansas City.

Mr. Harold DeHart and Mr. John Batt left on Sunday afternoon for Vancouver to join an overseas battalion.

W. Miller was listed on Tuesday's casualty list among the wounded. The injury was of an accidental nature and was not received in action.

Dr. Paradise and wife arrived in town on Friday last. It is understood that Dr. Paradise will practice here during the absence of Dr. Knox, who expects to make a trip East in a few days time.

In preparation for the low water in the lake, and to facilitate loading the boats at the C.P.R. wharf, a slip has been constructed down which trucks can be taken to the vessel's freight deck.

Out of six Kelowna men who presented themselves a few days ago at Vernon for medical inspection under the new Military Service Act, only one passed in the A2 class, one in the B2 class, three in the C3 class, and two were marked totally unfit.

The congregation at the Baptist Church, last Sunday, had the pleasure of listening to a short talk from the Secretary of the Japanese Board of Missions for California, Mr. Masasuke Kobayashi, who is making an itinerary of Japanese settlements in the Valley with a view to definite evangelistic work amongst his own countrymen.

Lieut.-Commander C. W. A. Baldwin arrived here from Hong Kong on Tuesday afternoon. He is staying with his brother, Mr. St. George P. Baldwin, at Okanagan Mission. The appearance of a British naval uniform in Kelowna is an unusual sight and has caused quite a little excitement. Lieut.-Com. Baldwin has been taking part in the great North Sea vigil which all the world has been admiring for its strength and intensity. He expects to stay here about two weeks before resuming his journey back to the fighting zones.

**APPLY NOW FOR CORN AND ALFALFA HULLER**

Mr. H. O. English writes that he expects to have the government alfalfa and corn huller in the Kelowna district at an early date. Immediate application should be made to the secretary of the Kelowna Farmers' Institute by those wishing to have crops threshed by this machine.

**Spuds and Apples for U. S. Markets**

The Chicago Packer has the following regarding the Canadian potato and apple situation:

"According to information that comes from the Canadian Parliament, there is a movement on foot to admit potatoes from the United States into Canada free. The duty will be taken off of potatoes for the reason that the Canadian crop is very heavy and shippers there want to get their potatoes into the markets of the country. Under the provisions of the United States tariff, potatoes are subject to a 10 per cent. ad valorem duty when imported from a country which imposes a duty on potatoes from this country."

A press wire from Halifax, Nova Scotia, states that that country will market most of its apples in the United States this year because of the embargo which is now in force in England. Heretofore all the Nova Scotia apples went to the other side. The crop is almost 700,000 barrels and shippers there expect the United States to take about 400,000 barrels."

**OKANAGAN MISSION NEWS**

Mrs. Powell, of Nahon, is a visitor here, being the guest of Mrs. R. Sweny.

Lieut.-Commander Baldwin, R.N., arrived here on Wednesday on leave, being the guest of his brother, Mr. St. G. P. Baldwin.

The raffle of the picture for the Red Cross took place last Saturday at the local store. No. 47 was the winning number and Miss Ferguson of Kelowna, was the lucky winner.

**MILITARY EXEMPTIONS STILL PREPONDERATE**

Over 1,400 Exemptions Asked for in Manitoba

That the applications for exemption under the new military service regulations far exceed the applications for service is still made very apparent by the figures being received from various centres throughout the Dominion. In some of the cities of the West the figures are gradually working round the other way, but the majority is still easily for exemption. Below are given some of the latest reports received.

REGINA, Oct. 17.—A total of 936 applications for exemptions have been received from various parts of the province. Of the 191 reports filled in for Regina, 157 were for exemption.

WINNIPEG, Oct. 17.—Latest figures given out by the registrar under the Military Service Act show 1,418 applications for exemption and 244 reports for service received from the whole of the province. About 300 men reported at the Post Office today and about 65 sought exemption.

CALGARY, Oct. 17.—Two hundred and fifty reports have been filed with the military registrar here today, of which only 150 claimed exemption.

**GERMANS BOMB NANCY**

PARIS, Oct. 17.—Ten persons were killed and forty were wounded in a bombardment of Nancy which took place last night by German aviators. On Monday and Tuesday, twenty-five German airplanes were destroyed by the French or were compelled to land in a damaged condition.

**WOUNDED WARRIORS WELCOMED HOME**

(Continued from page 1)

called up at the commencement of hostilities and went overseas with the C.M.R. Prior to being wounded he was nine months in the trenches and saw a great deal of active fighting, but like most of the other returned men he prefers not to talk about it and is equally modest about his own doings. He is here now on a two weeks' leave and goes down to Vancouver to a convalescent home on the 27th instant. He is loud in his praise of the English hospitals and their treatment.

Tpr. Bernard Raymer was also in the B. C. Horse before war commenced, and two days after the British declaration he enlisted for overseas, afterwards joining the 2nd C. M.R. He is the son of Mrs. H. W. Raymer, and before the war was an employee of the local staff of P. Burns & Co. He has seen much hard fighting in the trenches, having been in the forefront of affairs for 17 months before being finally laid off with injuries. On the 3rd June, 1916, at the third battle of Ypres, he was hit with shrapnel in the left side, just below the heart. Recovering from this, however, we went through much of the Somme fighting, but in the battle of Vimy Ridge an exploding shell buried him. In an unconscious condition he was dug out, however, but was found to be suffering from injuries to his back which necessitated a stay in hospital of six months, after which he was allowed to return home.

**ELLISON--RUTLAND NEWS**

Mr. John F. Guest purchased a new Ford car last week.

Mrs. George Weeden was a weekend visitor at the home of Mr. and Mrs. J. Carney.

Mr. John Morrison went into the Kelowna Hospital this morning for treatment.

Rev. Father Verbeke will celebrate mass on Saturday morning next at the home of Mrs. T. Hereron.

Many from here attended the "Birth of a Nation" at Kelowna on Monday night and pronounced it a decided success.

Mr. and Mrs. J. Morrison returned from the coast on Saturday last. Mr. and Mrs. T. Morrison also returned the same day.

The many friends of Miss McKenna will be grieved to hear that she has had a relapse and that very little hopes are now held out for her recovery.

Pte. Jerry Hilton has recently died of wounds in France. Such news will be heard with the greatest regret by those who remember him when here.

Messrs. Duncan and Wolsely have returned home to Rutland after spending the season at Benvoulin, where they supervised the work carried out at the Okanagan Canning Co. the cannery having completed its work for this season.

**HOLLINSHEAD CONCERT EARNS HIGHEST PRAISE**

No better musical evening has ever been given to the Kelowna public than the concert provided last evening by the Hollinshead Brothers, assisted by Mr. Gerald B. Moore. Mr. Redferne Hollinshead has a voice that is unequalled anywhere in the country. His purity of tone is exceptionally fine. His brother, Mr. Harold Hollinshead, besides being a splendid baritone, gained much applause in his Dickens' monologue and also in his "Zummerzet" songs. Mr. Gerald Moore is already known here, but his superb playing last night has placed him even a step higher in the eyes of his many admirers. The programme included several duets by the Brothers Hollinshead, including "Excelsior," "Del tempio e limitar" (Bizet), and "Drink to me only with Thine Eyes." Mr. Redferne Hollinshead's solos were "Celeste Aida" (Berdi), "Songs of Araby," "The Trumpet Call," and several others. All the performers were repeatedly encored.

**OESSEL ISLAND MADE AIR AND NAVAL BASE**

Russian Guns Prevent Bridging of Dvina

BERLIN, Oct. 17.—The war office here announces that large quantities of booty have been captured on Oesel Island and that more than 1,100 prisoners have been taken. On the main land to the south of Riga there is considerable activity on the part of the German forces, who have endeavoured to throw pontoon bridges over the Dvina River. Russian artillery, however, has prevented the bridging of the stream.

LONDON, Oct. 17.—The Germans are now entirely in possession of the island of Oesel, at the head of the Gulf of Riga and the Russian forces still there are cut off from communication with Petrograd. Small naval engagements continue in adjacent waters. German aircraft are carrying out reconnaissances over islands in the Gulf and over the mainland to the east. Pernau, an important gulf port to the north of Riga and west of Oesel Island, has been bombed by German naval airplanes.
